for

- Human Augmentation
 - Conscious Ethical Choice
 - Beyond Organizations
- (Shifting our role as 'Designers')

A photograph of the USC Los Angeles campus at dusk. The sky is a deep blue with scattered clouds. In the background, the USC Los Angeles building is illuminated with warm orange lights. A prominent feature is a tall, slender tower with a globe on top, also lit up. The foreground shows a paved plaza with several people sitting on benches. The plaza is reflected in a large, calm pool of water in the foreground. The overall atmosphere is serene and modern.
