10:01:47   From Nelson Parrish : Pleas forgive me I will need to leave the call at 2:00 pm

10:08:53   From Irena Krstic : 1. What brought you to this webinar? 2. What would you most like
to learn?

10:09:10   From Mark Robinson : Craig told me about it

10:09:32   From Craig McGee : Interest in Virtual tools; develop some competency in Mural

10:09:36   From Mark Robinson : I do Org Design consulting

10:09:37   From Ken Kaufmann : 1. The opportunity to see these tools in action.

10:09:52   From Mark Robinson : My clients are all virtual now

10:09:56   From Neil Samuels : With the virtual world expanding, it is crucial to be adept a number
of tools. Especially as my practice focuses on large group interventions

10:10:05   From Ellen Lewis to Irena Krstic (Privately) : I am transitioning my work (like many) to an
online platform, but at a global level. Trying to learn what might be platforms that work across cultures.

10:10:12   From Matt Hancock, Praxis : 1.) Need to quickly shift from in-person to virtual work
with clients 2.) How to better recreate the feel of in-person facilitation online (where is my whiteboard?
Where are my PostIts!?)

10:10:19   From Ellen Lewis : I am transitioning my work (like many) to an online platform, but at a
global level. Trying to learn what might be platforms that work across cultures.

10:10:30   From Ken Kaufmann : 2. Ways these tools help bring the virtual experience to a more
engaging experience for participants.

10:10:33   From Joe Norton : 1. To see some STS/RT colleagues and new people while 2. learning a
new collaboration tool for online facilitation

10:10:52   From André Sabogal : 2 objectives: learning about collaborative methodologies and
virtual tools for doing so

10:10:58   From Peter Sorenson : Brought Me: The need to transition from F2F to Virtual - both by COVID-19 Pandemic and because at the STS Roundtable we have been saying we need to do this for 15 years. What to Learn: Pragmatic competency in working virtually with digital tools that enable high levels of participation.

10:11:05   From Nelson Parrish : A desire to learn the platform with those who work with groups virtually transitioning from in person

10:11:07   From Julia Flower : Signed posted by OTM.   Interested to understand how to bring workshops to life in a virtual setting.   What are the best collaboration tools? How can we sue them effectively in a virtual setting?

10:11:14   From Bert Painter : Trying to catch up with all of the collaboration tools for what will likely be increasingly vital work

10:11:53   From tonisdavies : Need to create virtual visual management for of collaborative problem solving-

10:13:15   From Julia Flower : What is the 2nd tool?

10:13:22   From Irena Krstic : Mural & Miro

10:13:32   From Julie Hendrickson : 1. A desire to upgrade my skill-set and 2. wanting to learn ways to introduce/integrate these virtual tools into organizations/consulting engagements

10:14:08   From Julia Flower : Thanks

10:26:30   From Peter Sorenson : Will you cover costs?

10:26:44   From Jagoda Perich-Anderson : yes, Pete

10:30:58   From Ellen Lewis : Does free to educational institutions does that mean to individual educators not just to the organization level?

10:33:16   From Julia Flower : Does this mean the monthly/annual fee is free to consultant? So no payment at basic level?

10:33:41   From Irena Krstic : For Mural, if you apply and get approved, it is free

10:33:51   From Irena Krstic : for consultants

10:35:19   From Julia Flower : Free with full functionality?

10:35:36   From Julia Flower : Ok, thank you.

10:36:08   From Julia Flower : Great idea.

10:36:29   From Irena Krstic : https://app.mural.co/invitation/mural/onthemark3919/1593626172623?sender=ikrstic1827&key=6e3dac36-8c62-42b9-bb1f-fa1a7abfb095

10:43:40   From Craig McGee : Was duplicate Control D?

10:43:52   From Jagoda Perich-Anderson : Yes, Craig

10:44:21   From Ken Kaufmann : Can you limit users to some features, like sticky notes, but not others, like titles?

10:45:33   From Craig McGee : So the connection tools would be good for process mapping?

10:46:27   From Craig McGee : But the icons could also used for our multi-voting process

10:47:12   From Ken Kaufmann : Frameworks = Templates?

10:49:40   From Peter Sorenson : Which template did you choose for us today Irena?

10:49:41   From Julia Flower : Can you incorporate your own templates and framework

10:49:59   From Peter Sorenson : You are doing a great job I & J!!

10:51:03   From Julia Flower : Can you incorporate your own templates/ frameworks?

10:52:25   From Nelson Parrish-Praxis Consulting : Sorry must grow

10:56:09   From Peter Sorenson : It would be challenging to use M or M on a cell phone with a small screen.

11:05:13   From Irena Krstic to tonisdavies (Privately) : https://app.mural.co/invitation/mural/onthemark3919/1593626172623?sender=ikrstic1827&key=6e3d ac36-8c62-42b9-bb1f-fa1a7abfb095

11:19:55   From Bert Painter : Thanks MUCH, Irena & Jagoda. Sorry, got to leave for another virtual encounter.

11:20:35   From Ellen Lewis : Is this available in different languages?

11:20:54   From Neil Samuels : assume summons is ONLY for facilitators. Where was that button if not?

11:21:03   From Ellen Lewis : that's the bit, the keyboard in Spanish for example

11:21:34   From Neil Samuels : Incredibly useful 90 minutes. Thanks so much!

11:21:51   From Julia Flower : Ok, thanks this is helpful to know.

11:22:01   From Ellen Lewis : is there an undo button

11:22:18   From Julia Flower : The switch to breakout rooms from Mural to zoom may be a bit tricky.

11:22:47   From Neil Samuels : What is the max number you have used it with?

11:23:01   From Ellen Lewis : I found that when I made an error, I wanted to quickly undo it

11:23:09   From Ellen Lewis : got it

11:23:19   From Craig McGee : Iâ€™ve lost audio on Zoomâ€¦.was having trouble with it throughout the session. Useful session and Iâ€™ll look forward to next week.

11:31:01   From Ken Kaufmann : So good! I really enjoyed the learning and play. Thanks for hosting this session.

11:31:19   From Jagoda Perich-Anderson : Thx Ken

11:32:09   From Mark Robinson : Awesome job!

11:32:10   From Matt Hancock, Praxis : Excellent session. Can't wait for session 2!

11:32:12   From Julie Hendrickson : Irena and Jagoda, Thank you so much for your wisdom and the safe playground today. This was well organized and a great balance between content and application. Bye for now!

11:32:17   From Mark Robinson : Thanksâ€¦see you next week

11:32:17   From Erik Nicholson : Thank you! this was great. Good seeing everyone; stay safe

11:32:38   From Ellen Lewis : thank you

11:32:40   From Erik Nicholson : best beard vote?

11:32:52   From Matt Hancock, Praxis : Pete!
