00:27:37 Craig McGee: Played with Miro just this morning.

00:27:50 Irena Krstic: If you explore either Miro or Mural between sessions, what did you learn? What questions do you have?

00:28:05 Ken Kaufmann: Played around with it a bit. I checked into signing on with it, but never heard back from Mural Help

00:28:11 Julia Flower: Yes, explored mural. to use the templates. Some are still a little tricky. Need to understand how to bring stakeholders in the process.

00:28:11 Carolyn Fairman: I haven't explored either. Worth comparing with other known ones like Asana and Trello?

00:28:19 Toni Davies: Unfortunately not able to work with it again- but did listen to the Skinner Tube this morning you sent earlier-

00:28:26 Kristyn Brennan: I have been working with Mural for a couple of months. I'm hoping to learn some specific ways to use it in org design.

00:29:30 Toni Davies: Interested in virtual whiteboard usage in real time with a group-dynamic application
